

# VRS® Area Rug Displays

Manufacturer's Direct Pricing

**E2merchandising**

Engineered Displays and Fixtures

[www.e2merch.com](http://www.e2merch.com)

## Easy Set Up

The VRS® system is so simple to assemble that anyone can do it. There's no need for an installation crew.

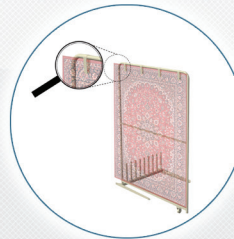

## Freestanding Pivot System

Each arm post pivots on a freestanding base, allowing more viewing angles.

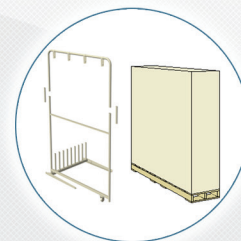

## Flexible Rug Size

Mix and match rug sizes with no bulky perimeter frame.

## Split Frame Design

Raise the frame 12" by utilizing our Height Extension Kit. Creates a compact shipping pallet.

The patented **VRS® DISPLAY SYSTEM** helps you maximize your rug retailing potential!

*Available direct from the factory!*

## Easily Hang and Release

Take a rug down in seconds using our Release tool.

Release Tool

## Exclusive S-Cradles

Exclusive "S" Cradles hold the weight of the rug while it is inserted in minutes into the clips.

## Best Viewing Angle

Position rugs in a "Gallery-Style" placement to allow shoppers to view up to four or more rugs at once.

## Safe Handling

Shoppers flip through your collection by grabbing the frame and not your rug.
